Chidlow 17-11-113 def Mt Helena 8-11-59

The Cougars proved too strong for the Lions in their round three clash.

Kaden Bonsak and Adam McKinlay both scored goals in quick succession. When the ball did get into the Lion's forward line it was rebounded out by Steven Scorer and the high marking Luke Elliott. Bo and Zac Read battled hard in their backline pushing back against the continuous Cougars forward entries. Charlie Read has assumed an onball role this season and has offered much needed strength around the contests, by the first break Chidlow had opened a twenty point lead. The Cougars continued to control most of the play during the second quarter. Finton Kirwan cleared the ball out of a centre to the hard leading Kaden Bonsak He in turn delivered the ball to Adam McKinlay who converted his kick at goal. Chidlow was starting to pull away with winners in most positions extending their lead to forty nine points at the main break.

Mt Helena needed to get more involved if they wanted to be competitive in the second half. Brendan Agnew and Daniel

Bulla started to pick up more possessions around the ground getting the ball forward to where Rohan Murphy marked strongly then scored a much needed goal for the Lions. Chidlow had minimally extended their lead by five points as the two teams changed ends to commence the last quarter.

Mt Helena hit the ground running as Michael Hine found Ryan Schwagereit with a pinpoint pass, he in turn passed the ball to Charlie Read who then delivered the ball to Jess Cartwright who goaled. Suddenly the Lions were doing the things that coach Matt Sofoulis had been asking for. The Lions started to show what they were capable of with more consistency. Both teams went goal for goal for the remainder of the game, as both scored four goals and four behinds each.

Kaden Bonsak finished off a well balanced game with his sixth goal while Adam McKinlay converted his fifth. The online version looks good. Now we need to have everyone access it.

Last week we played Pickering Brook. After an even contest in the first quarter the Hawk's had the better of the Tiger's in the second quarter. Great Spirit & Skill's from both side's but in the end Pickering Brook had the win .

MUNDARING

Last week the Mundaring boys headed out to Gidge for a Saturday night top of the table clash.

We knew coming to the ground it would be a good tough game, and we weren't wrong. From the start of the first quarter both teams were fighting hard for dominance in the midfield, with neither team able to fully capitalise when they went forward. Our backs were excellent as usual, providing great support to our mids and rebounding the ball when it came down. Unfortunately, our boys were unable to get the win last week, going down by 2 goals, 63 to 51.

Our Award winners for this week were Rob Di Salvio, Dylan O'Loughlen, Sateki A'Vard, Brandon Jones, Lachlan Nicol and Harley Walter. Clayton Thomas was our only multiple goal kicker with 3 goals,

while Andrew Freeman, Anthony Bailey, Brandon Jones and Connor Musto all kicked one each.

Next week Mundaring travel out to Pickering Brook for our first Sunday game of the year. We hope to see you all down to support the boys.

Go the Roos!

GIDGEGANNUP

A new season, a new challenge, the 2026 HFA season is underway and the boys from Gidgegannup have had a strong start to the year. After a long and productive preseason we started our year facing Pickering Brook at home, Midland away and last weekend equal top of the ladder Mundaring at home. A hot start has seen us win all three of our opening games and currently sits us a game clear on top of the ladder with a tough contest against chidlow coming up this Saturday night.

For the 2026 season our senior coach is Justin Pitt with Dylan Cahill as our assistant coach and Liam Marriott as our captain. With a good mix of experienced and new players in the team we are shaping up to be a competitive and

balanced side this year. We'd like to thank all our sponsors this year for their ongoing support to the club. Be sure to follow us on facebook and instagram for all the latest news on the club.

PICKERING BROOK

We wandered down to North Swan Park to take on the Midland Tigers. We started with 21 and coach Ben debuted with a bang, hitting a hard tackle and launching it to Milky on the lead for our 1st. Jacko tapped it down to Rushy with a nice spin out to Dekky, sending it towards Milky with another big grab and goal. They won the footy out of the middle and some pressure from Macs in his 1st game, caused a wayward shot. Being such a big oval, Mitch was able to run about 20m out of the square before hitting Jacko in the centre, swung it wide to Bainesy on the CHF, without hesitation sent it long to Jacob, kicking a nice goal deep on the angle. Another contested footy deep in the forward line saw Milky finished with a nice snap and 3 for the qtr.

It wasn't long before Dekky started impacting, and a centre clearance off the boot towards Danos on the 50, a nice crumb from Paddles finding Bakes across the face and kicking his 1st for the Hawks. They were starting to get some transition footy going and a couple of times they had numbers on the wing, making it a bit harder to defend. A contested mark from Vellinga and off he went, finding Jacko through the middle and a bullet to Milky on the lead and his 5th from the paint. We kicked a couple of behinds in a row before Rushy cut-off the footy with a well-read grab, perfect pass found Danos steaming out of full-forward and he was on the board. The ball was at CHB when a classy sidestep and some gas from Mitch, playing vintage footy, hit Jeht high on the CHF. Pushing back and sending the ball long to the goal square, sitting front and square, Ben wasn't going to be denied by Milky this time. Kicking his 1st for the club and Milky had 7 by halftime.

With Cody making a late 1st qtr appearance and in the showers by halftime, the midfield was starting to miss that extra rotation. They got the ball forward and a couple of easy ones involving a nice soccer from 20m out. They were again heading into goal with their player stepping around 2 players, denying his teammates and a great run-down tackle

from Rushy. He switched to Mitch, streaming off the backline, he nailed Brookesy with a 50m kick, he swung around and found Milky 45m out. With the midfield pressure dropping a bit, Ben was making it look easy, extracting the footy Bakes, who took a nice mark and then played on and kicked it straight into the man on the mark! Lucky, he buttered it up after a bit of a scramble and ran it into goal.

The final qtr started with them winning the 1st clearance and outnumbered, Will managed to will it out to Mono, who turned and burned his opposition, finding Ben in the centre and a long kick to Milky who scored a free and then a fifty to make sure of it. 10 goals for the Milkster!

With that out of the way, Paddles showed some silk and a nice front and centre to slam one home on the run. He wasn't the only one going to be denied, with Bainesy running hard and getting on the end of a well-deserved goal. The ball spent a bit of time in their forward half and a couple off behinds gave Mitch the opportunity to send it long to Jacko, a contested footy was soccered by Barbie out to Brookesy. All alone he ran it in from the top of the fifty and topped off the day with his 1st for the club.

Good to get the 1st win on the board and thanks to Bomber, Coz , Madden, Justin and Hoops for helping out with the on field roles.
